

ALEXANDRIA.

FRIDAY EVENING, JUNE 24.

IF THE democratic party in Virginia is to print charging responsibility for the destruction there on Grant; and with characteristic party in the struction there on Grant; and with characteristic party in the struction there on Grant; and with characteristic party in the struction there on Grant; and with characteristic party in the struction there on Grant; and with characteristic party in the struction there is no struction the struction the struction there is no struction the struction the struction there is no struction the struction there is no struction the struction the struction there is no struction the structure that is no structure the structure that is not structure that is not structure the structure that is not structure the structure that is not structure the retain its hold upon the State government, it is of prime necessity that it should be in a statement of fact, he proved, by united, and to effect that end there must be Grant's own memoirs, that even under genunited, and to effect that end there must be a full and fair expression of its will on the debt question. There are many who think that the proposition of the foreign bondholders should have been accepted; there are many, perhaps, who think differently. It is to be presumed that few will risk the danger of throwing back the Commonwealth into the hands of Mahana and his mercanaries for come from Union soldiers and friends of hands of Mahone and his mercenaries for come from Union soldiers and friends of the sake of either accepting or rejecting the Sheridan in the North, while not a few exproposition. The necessity for good gov- whoever was now found raking through the ernment is too great to admit of its loss for embers of our civil strife and stirring up the any consideration, however important; and passions of the country over matters of war we take it for granted that, however im-prestigable it may be either wing of the parpracticable it may be, either wing of the party will acquiesce in the final decision of the Rosser, for the first time by printed intermajority. But that decision must come from the people, not from the politicians, whose interest it seems to be to keep the debt question open. Let the people then speak. Let it be clearly understood whethspeak. Let it be clearly understood whether candidates are in favor of the acceptance of the creditors' proposition or not. Then the matter can be settled in convention and we can go into the contest with a certainty reinstated himself in the friendship of the of the creditors' proposition or not. Then of success.

THE JUBILEE of Queen Victoria was rather a tribute to her personal than to her rather a tribute to her personal than to her political virtues. The sovereign of England at Richmond, charged him with falsehood is no longer a real ruler, like Henry VIII, in language very strong and stinging.

J. Latthough the hen little influGen. Mahone is said to have received or James I, but though she has little influence in politics, she rules in social matters, and there her rule has been most beneficent.

this city, headed by John Wise, to determine this city, headed by John Wise, to determine his line of conduct. They unanimously The gross corruption of the age of Charles II, the scandals of George IV, have given decided that he should not challenge or place to domestic virtue and high morality. The influence of the queen has been ever upon the side of household purity, and received notice of the attack on him, and she has taken such a stand that vice has quailed before her glance. It is for this that the world honors her, and surely no showed wisdom, for independently of the greater title to honor exists among men. It danger attending a duel the northern repubthat the world honors her, and surely no is to be regretted that there has been, in our country, some exception to the universal around him would have seriously revolted at the exhibition of a Senator of the United congratulation. It may be that a portion of States dodging through the country with her subjects have cause to complain of the treatment given them by her ministers, but she is scarcely to blame for what she to shall not help and while they could not be could not be the country of the country with pistol in hand searching for a duel. In fact, several Northern republican Senators, apprehensive that Mahone would not be could not be considered. could not help, and while they could not be could not help, and while they could not be of Early, advised him in strong language expected to unite in an ovation to her in against such a course. But it is not likely whose name their wrongs have been that any such interference will come in to wrought, dignified silence would have made them more friends than public remonstrance on such an occasion.

CONNECTICUT wanted to borrow one million dollars at 31 per cent., and seven hun- way desired. dred millions were offered. If Virginia wanted to borrow a like amount how much would have been offered under existing circumstances? And yet, how different it might have been with the once proud old Commonwealth.

IT IS SAID that ex Speaker Randall will be opposed in the next Congressional contest by Mr. Samuel Josephs, who will run as an independent democrat. Mr. Randall, it is charged, prevented Josephs obtaining the United States marshalship. Hence the op-

NOTWITHSTANDING Mayor Hewitt's objection the New York Board of Aldermen have decided to allow boys to shoot off fireworks on the Fourth of July.

VERGINIA NEWS.

Rev. Wm. H. Baynham, a well-known Baptist minister, of Caroline county, is Capt. E. M. Pace, of Danville, president

of the Virginia Firemen's Association, was kicked by a mule Monday, and had his right leg broken. The G. A. R. posts of Lynn and Salem, Mass., expect to make a visit to Richmond

early in July. The last-named post is said to be the largest one in the country. An estimate just made fixes the value of

the University property and endowment (not including the Austin bequest, worth something over \$400,000) at \$1,222,000. A new military company has been organ-

izad at Staunton, to be called the "Jackson R fles." Mr. Wm. P. Tams, a graduate of the Virginia Military Institute, is the captain. Mr. Barbour, in reply to a question if there

was any possibility of a change in the place of meeting of the State democratic conven-tion, says "No," and adds that he has not heard of any proposed change, and that the action of the executive committee has been accepted generally in the State.

The May-flower, Sachem, Huron and Shadow won During the prevalence of the thunder-storm last Tuesday at Stella station, on the Danville and New River railroad, in Patrick It was just such a day as Lt. Henn said the Galatea needed to show her best points —nasty and squally, with tremendous seas running, which wet the jibs of all the boats county, Mr. W. A. Penn, while standing in his door, was struck by lightning on the top of his head, splitting it open. He fell back dead. He was fifty five years old, and proved the standing in the standing in his door, was struck by lightning on the top of his head, splitting it open. proved her superiority in even the Galatea's leaves a family. three of the classes were crack English boats, all cutters, and all were defeated by

The Loudoun Mirror says a good deal of wheat has already been cut in that county, and by the end of the week harvest will have become general. With an occasional exceptional field, however, the crop is very light. What little grain was on the ground, bas been ravaged by all manner of pests, rust, fly, scab, etc , until in some instances, the crop is said to be scarcely worth cutting. It is possible, however, that when threshed, the yield may be better than is anticipated.

A deed from James Abbott and wife, of the State of New Jersey, recently of Petersburg, has been received for record in the clerk's office of the county of Dinwiddie, conveying examinations were held at Louisville and two and three-fourths acres of land on the Cox road, in said county, for the sum of \$148,000—about \$33,800 per acre. The land in question is about one mile from Petersburg, and has no valuable improvements on it. The right of the purposes of the purposes of the purposes. ments on it. The plans of the purchaser James C. Johnston, of Louisville, Ky, and are not known, and the matter excites into O. C. Ketcham, of Washington, D. C., cures "female weakness" and kindred affectorest.

Aquia Creek to the Fredericksburg Free

"On Wednesday, the 15th of June, an inquest was held by Wm. M. Norman, esq, acting coroner, on the body of an unknown

white man, washed ashore on West Farm

on the Potomac river. He was in a nude

condition, apparently a man of about 30 to

35 years of age, about five feet eight or nine

inches high. The body was in a very de-

composed state, as if it had been in the water some time. He had a piece of rope around the middle of his body, his teeth

were knocked out, a severe fracture across his skull, his cheek-bone broken, and looked

as if he had been murdered, robbed, stripped and thrown overboard. The verdict of the

jury was that he had been murdered, strip-

ped, robbed and thrown overboard by some

person or persons unknown to the jury. The man that was drowned at Quantico a

few days since was full dressed when he fell overboard. There is something singular

and strange in the point where this body came ashore. There is a large and project-

ing rock extending out into the water, and cut in large letters is the word 'Evil.' Last

year about the same time the body of a col-

ored man came ashore at the same point

Withers and others against Cole's executors and others. Appeal from Roanoke county. Decree reversed. Opinion by Judge Hinton.

Barnett and others against Barnett and Decree affirmed. Opinion by Judge Lewis. The Norfolk and Western railroad against Cottrell. Writ of error from Roanoke coun-Judgment reversed. Cpinion by Judge Lacy.

THE NAVAL FLAGS .- The recent controversy over the captured battle flags has caused many inquires as to the disposition made of the naval flags captured during the late civil war. It is learned at the Navy Department that most of the flags captured were turned over to the Naval Academy, and are now on exhibition there, together with those captured in other wars. The Confederate naval flags captured were few in num-ber, and an accidental fire in the old naval department building several years ago detroyed some of them.

A citizen of Albany and his wife, wearied by the prosiness and long sermons of thel pastor of the church that they attended, decided to change their place of worship. on a recent Sunday they attended a neigh-boring church to see how they liked it. Hardly were they seated when their pastor nual regatta of the Eastern Yacht Club took entered the pulpit. He had exchanged pulpits for that service, and that morning preached an unusually long sermon. At the feeling such an interest in his preaching as to follow him to a strange church.

Jim Ponce, of St. Augustine, Fla., going through the woods heard tremendous squawls, yells, and roars, and cautiously investigating came upon a seven-foot panther fighting with an alligator, which had the panther fast in its ponderous jaws. Ponce sided with the under dog and shot the alligator, whereupon the panther freeing himmade for the hunter, who had a

TO-DAY'S TELEGRAPHIC NEWS.

Strike Declared Off.

CHICAGO, June 24 -- Late last night, at a meeting of the bricklayers' union, a resolution was passed withdrawing the demand for a Saturday pay day and declaring the strike off. This action was taken, it was declared, on account of the pressure that was brought to bear on the bricklayers by private citizens and business men who suffered heavy losses through the stoppage of work. The resolution gives the material as their agreement with the master masons having been declared off and the labor trou ble here being thus resolved into a lockout pure and simple, the bricklayers declare they will now presecute the stone pool for conspiracy in case of a refusal to sell stone to contractors friendly to the bricklayers. searce at 7aS. It is difficult to estimate with accuracy the full extent of the financial loss resulti from the strike. The local loss in wag can be closely computed, and Chicago me chants can estimate the amount of tra which has been sacrificed. Aside from thi however, miners are idle in Pennsylvan saw mills and their operatives in Michig and Wisconsin; thousands of men thrown out of work in the stone quarries a jacent to the city; the pressed brick tra is affected all over the United States; thou ands of dollars have been lost to the railro companies, and every branch of manufa ture identified in any way with the buildi trades is a direct sufferer from the strik A careful estimate made of the loss in wag to striking and locked out employes in t vicinity of Chicago alone foots up near two and one-half million dollars. It wou be difficult to name a trade or business n directly a sufferer from this protracted strib

Policeman Killed.
